Foreword

This year, we of the 1947 Forester Staff have chosen as our theme, Our School Life. We have tried to portray each activity in the wholesome, enjoyable manner that we in school see it. In order to understand our students better, we have portrayed the more intimate side of them studying, engaged in their many club activities, participating in their competitive sports, and receiving valuable training in our military department. We sincerely believe that a better understanding of our present students and their school lives will aid in preparing better leaders for tomorrow.

We have tried to show the more humorous as well as the serious side of our school life in order that each reader might recall some pleasant moment that he had perhaps forgotten.

One of the first persons to be found at school in the morning and one of the last to leave at night is Mr. Seldon S. Hutchinson, who is ever present working with a school project, sponsoring a club, chaperoning a dance.

He has always been very much interested in student activities. He has coached track, basketball, and football, and now sponsors Allied Youth, Standard Debating Society, as well as the Student Council. He has also proven himself an excellent teacher of mathematics, general science, and chemistry.

For these reasons, and because of his willingness to share the trials and tribulations of others, we proudly dedicate this volume of the Forester to Mr. Seldon S. Hutchinson.

James T. Whittlesey

Who's that young man strolling through the hall? Why, it's Mr. James T. Whittlesey. The most cherished memories of our school year are those centering around this colorful, energetic figure whom we all know as our principal. For three years Mr. Whittlesey has led us with prudence and skill; throughout, he has been held in high esteem, because of his devotion to the interests of students and his farsightedness in his efforts to benefit the school. Students gain valuable experience in self-government by our principal's encouraging Student Council activity. He also gives many opportunities for the development of leadership and character.

When the time for fun and recreation rolls around, Mr. Whittlesey is right there, and enjoys a bit of amusement himself. He is a very able member of the school faculty basketball team, which has improved greatly in the last three years. Vigorous support of school activities has endeared him to the student body.

To many Foresters, Mr. Whittlesey is an understanding principal, a symbol of happy days in the old Alma Mater; but to each and everyone of us, he is a dear friend who will never be forgotten in years to come.

JAMES T. WHITTLESEY

Board of Education

Although the members of the Board of Education are seldom seen in the halls of Forest, they are the administrators of our school and all other public schools in Dallas. The Board, composed of members elected by the people of the city, functions through its several committees which study the problems and needs of schools and discuss and plan ways to aid the schools. It determines the days to be set off as holidays, chooses the books and other materials to be used in the curriculum, and is responsible for the employment of administrators, teachers, and other workers in the schools. In fact, everything associated with the schools is directed by the Board.

The members of the Board of Education and the committees which they head are as follows:

DR. DAVID W. CARTER
President

MRS. W. P. ZUMWALT
Vice President,
Supplies Committee Chairman

DAN D. ROGERS

FRED D. DANFORD

MISS SARAH E. MERIWETHER

We at Forest are proud to have with us this year Miss Sarah E. Meriwether, who came to us from North Dallas. She is well liked and appreciated by all, and everyone will agree that she is one of the most understanding, energetic, and helpful persons we have with us. To everyone that enters her office she gives one of those smiles that always succeed in winning your heart. She is also a master at helping people with their trials and tribulations, even those boys that enter saying, "Well, you see it's this way, Miss Meriwether..." So let's all give three cheers for her, and hope that we shall never be unfortunate enough to lose her.

MRS. BROWN

Guiding seniors along the path to graduation and helping them start their post-graduate careers are only two of the important tasks Mrs. Brown so skillfully executes. She is the efficient and indispensable sponsor of the National Honor Society and does her utmost to see that this society maintains those ideals for which it was originally organized. Besides teaching two Algebra classes during the day, Mrs. Brown capably solves the many problems which confront her, such as our choice of subjects and applications for scholarships. We are all indebted to her for the fine service she has rendered to us and to our school this past year.

JANUARY '47 CLASS SONG

(Tune of ALWAYS)

We will think of you, Forest,
Miss the things you do, Forest,
Think of Freshmen days, when we were all amazed,
Looking up to you, Forest, Forest.
Winning football games for Forest;
Reaching high-school fame for Forest.
Proms and picture shows told in past "Echos"
Will keep up close to you, Our Forest.

Band

The Forest Band, under the guidance of Colonel-Instructor Harry F. Barton, is now in its second year. It is a military unit headed by a Cadet Captain, all the members receiving R.O.T.C., credit and holding military ranks, with promotions and grades dependent upon musicianship and military ability.

The band played at the football games in the city this year, and plans next year to be at all the out-of-town games, as well as the city games.

Rifle Team

A spirit of school competition and a deadly aim describes each of the ten members of the Rifle Team. With other candidates for the team, these members of the Rifle Team, having had at least one year of R.O.T.C., went through a period of training in firing. Every boy during the term fired, and his score went on the files. Finally the candidates fired an elimination match, the ten highest scorers becoming the permanent members of the team for the year. Every day they practiced before or during school in the armory, perfecting their shots. They fired in a city match against other Dallas high schools. Those who made the best scores received green and white letter jackets.

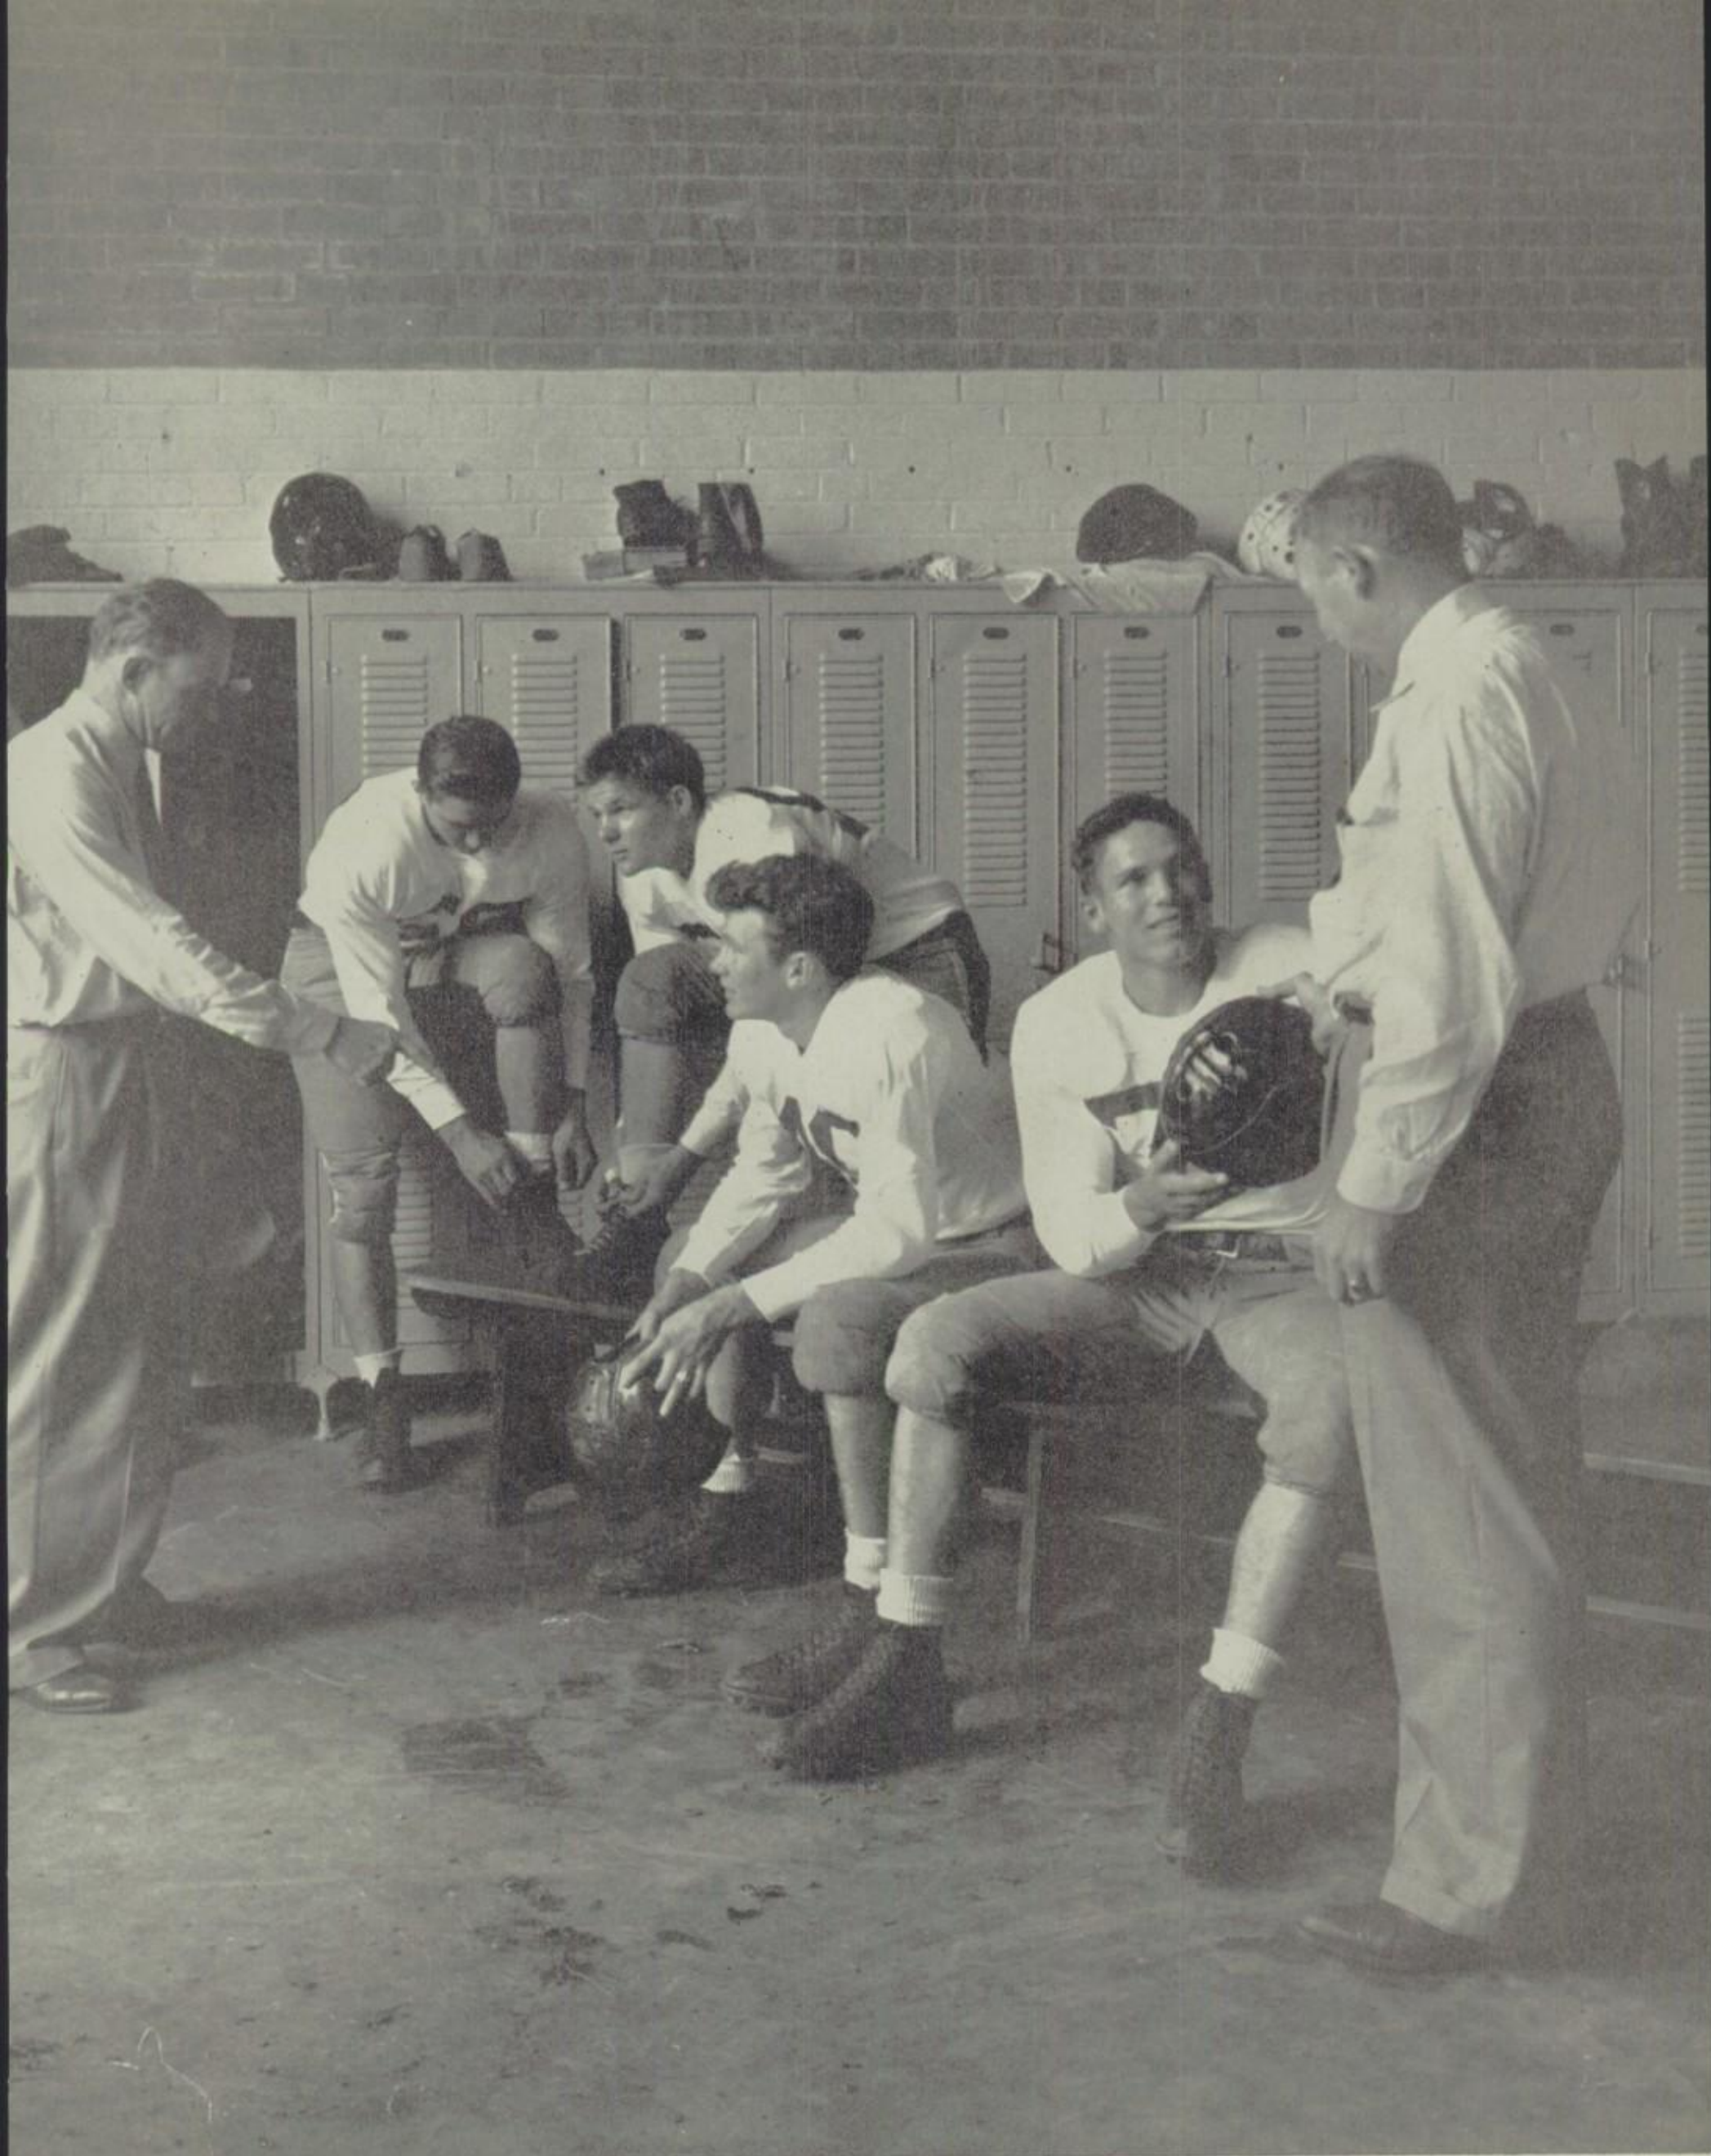

Jimmy James, who held the rank of Lieutenant-Colonel and was head of the battalion, was captain of the team. Captain Glynn Winthrow was second in command of the team. Captain Norwood, assistant commandant, instructed the team.

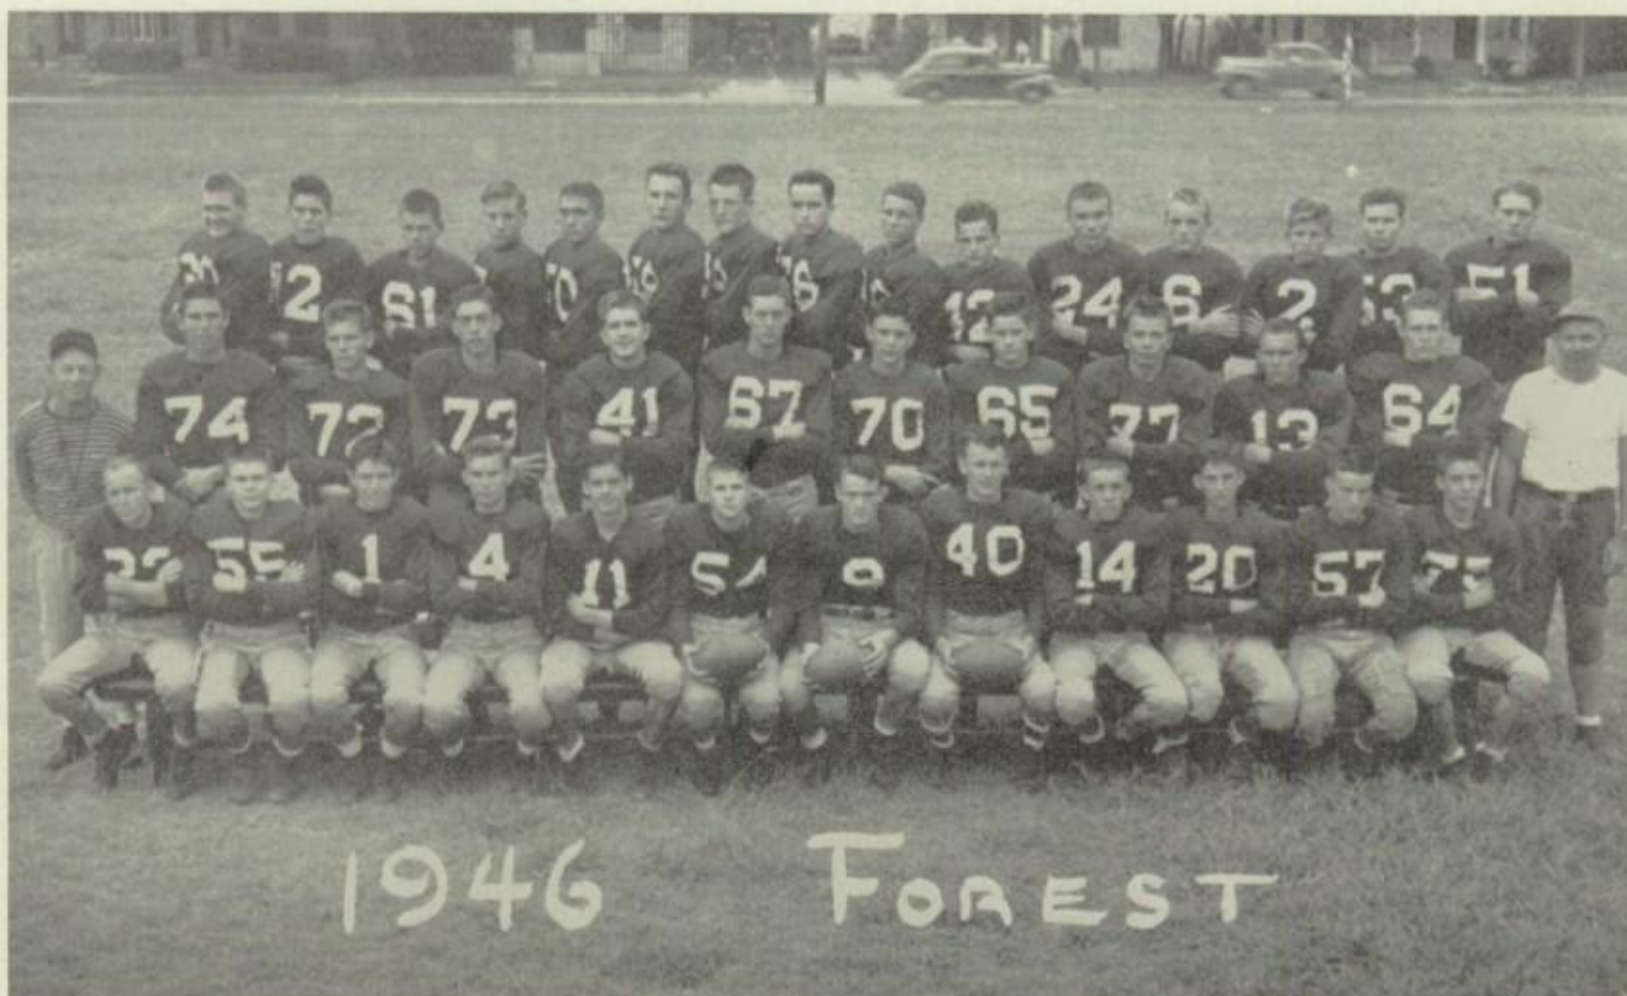

Nightfall at Camp Dallas... Come on, men, give with a big smile... Charles Swartz just plain happy. ... Hey! Where is everyone?... Where the boys lived—looks like fun, doesn't it?... Hercules and his passenger... Play it pretty, Abramson... Where are the girls, boys?... Will someone give Martin his clothes?... The flag flies over the camp... Just a bunch of guys at Camp Dallas. The Romeo—Jay Beck... The band helping the football boys at a game... You aren't leaving, are you?... Ah! Come on and wake up, Griggs.

... doubtless
you remember
how close
we came to
winning
"city"...

Pigskinners

Forest 27 - Corsicana 14

The Forest Lions, coming from behind with two markers in the second period, defeated the Corsicana Tigers, September 21. Robert Beasley carried over from the eleven yard line for the first score, and a pass from Morgan to Morris put the Lions ahead 13 to 7. Both teams scored in the third period, but Charles Masterson's tally in the fourth clinched the game.

... which way did he go??

Forest 0 - Carter 13

The Lions bowed to the Carter-Riverside Eagles at Ft. Worth, September 28, in their first defeat of the year. McPherson's pass to Adams was good for Riverside's first score, and a penalty against the Lions set the stage for another score in the third period. The Lions threatened repeatedly but were never quite able to cross the double stripe.

Forest 20 - Conroe 7

The Lions had to come from behind in the fourth quarter, October 4, at Dal-Hi, to roll past an undefeated Conroe team 20 to 7. Murphy Webster, Bennie Morgan, and Eddie Hale made a score apiece, with Morgan booting two extra points.

Junior Pigskinners

Forest 13 - Denison 26

The Lions bowed to a strong Denison team, October 12, at Denison. The powerful Yellow Jackets chalked up an early lead, by means of accurate passing and an elusive running attack. The final period saw the Green Wave cross the double stripe twice in a last desperate rally, but the Denison lead was just too big to overcome.

Forest 6 - Sunset 13

The Lions dropped a hard fought contest to the Sunset Bisons, 13 to 6, at the Cotton Bowl, October 18. Robert Matzig scored first for the Bisons in the second period after they had worked the ball

down to the Forest eight yard line. In the fourth period the Lions unleashed a desperate aerial attack which carried to the Bison 3, where Bennie Morgan plunged over for the lone Forest tally.

Forest 25 - Tech 0

The Lions cashed in on five fumbles and good passing to down the Tech Wolves, Saturday, October 26, at Dal-Hi. The Lions displayed an elusive running attack and a brilliant defense to overpower completely the Wolves. The Lion attack centered around Braddock, Webster, Beasley, and Combs, while Bill Perry's 31-yard sprint was the highlight of the game.

Squealers

Forest 7 - North Dallas 6

The Lions edged out the North Dallas Bulldogs, November 9, at Dal-Hi Stadium, 7 to 6. Neither team could score in the first half, but in the third quarter as North Dallas was marching toward pay dirt, Raymond Morris intercepted a Bulldog pass on the Forest 15 yard line and raced 85 yards for the score. Bennie Morgan kicked the deciding point. North Dallas scored late in the fourth quarter on a pass from Bobby Davis to Joe Thomas in the end zone.

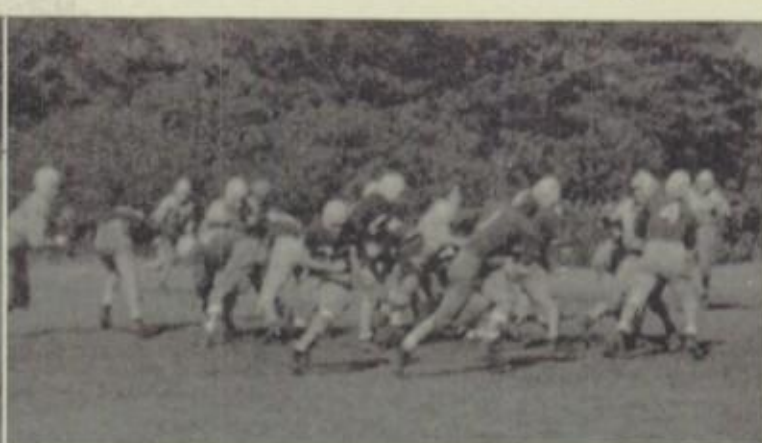

Forest 26 - Woodrow 8

The scrapping Lions had to roar from behind to defeat a hard-hitting Wildcat eleven, Saturday, November 16, at Dal-Hi. Although statistics showed more yardage for Woodrow, the Lions definitely drubbed them in scoring and that is what counts.

The fans went wild when "Bullet" Bob Beasley intercepted a pass and streaked 98 yards for pay dirt. This was the longest run of the season for any Dallas high school. Cruse, Phillips, and Cooley were rugged on the defense and greatly aided in our team's winning, while little Bennie Morgan's tossing gained many a yard.

Forest 7 - Adamson 26

The Forest Lions were defeated by the Adamson Leopards 26 to 7 at Dal-Hi Stadium, November 23. The only Lion score came in the third quarter when Bennie Morgan plunged over for the score. Morgan also converted the extra point. Forest threatened early in the second quarter when Charles Masterson intercepted a pass. The Lions worked the ball down to the Adamson 1-yard line, but a fourth down fumble stopped the drive.

Hold that line! Lions... Charge of the Lion Brigade... "Sgt. Nic" chalks another score for the faculty... One! Two! Three Bend... Are they our Mrs. Stringer and Mr. Mattingly?... Heave Ho! Heave Ho!... Our cheerleaders in their merry Oldsmobile... Mr. Frey can surely lead a mean yell... Come on in; the water's fine... Our principal, Mr. Whittlesey, leading "Allah Ye!!."

Left to Right: Earnestine Dennis, Mary Terry, Wanda Orrill, Martha Jo Bledsoe, Dorothy Angrist, June Hogg.

Majorettes

That extra spark which sends our team on to victory is provided by six very attractive girls whom we recognize as our majorettes. As they pace the band while twirling the batons with skill and lightning rapidity, the spirits of the fans and teams invariably soar to new heights and Forest usually brings home a victory.

... hold it !!

The fire of the majorettes is contributed by lovely WANDA ORILL. Her red-gold hair is envied and admired by everyone.

JUNE HOGG is noted for her sparkling smile. Her friendliness makes her dear to everyone.

Blond MARRY TERRY can always be counted upon to make things lively. Her pep and energy make her an excellent baton twiler.

Among the many highly favorable assets of DOROTHY ANGRIST is her quiet but winning way. Her friendship can always be counted upon.

Dainty and shy EARNESTINE DENNIS draws friends to her with winsome charm and keeps them with her loyal friendship.

"Full of fun" describes MARTHA BLEDSOE. Her high step and excellent twirling help make her a top-ranking majorette.

Left to Right: Dorothy Cruse, Lois Dell Hilton, Mary Hatter, Louise Hixson, Gene Pflug, Ozzie Hansen, Sammy Cowan, Paul Jordan.

Cheer Leaders

Cheerleaders for 1946-47 worked out new original yells to invigorate students and teams. They went out in rain, wind, or snow to lead these yells, and among themselves they developed a strong feeling of co-operation and teamwork... The student body co-operated fully, and great school spirit was shown at every game and pep rally.

LOUISE HIXSON, pretty brunette and head girl cheerleader, was known for her vivacious personality. Her winning smile and boundless energy made her a favorite of everyone.

Things were never dull when head boy cheerleader GENE PFLUG was around. His antics won him the friendship of all and kept the cheering section active.

"Charming" describes auburn-haired LOIS DELL HILTON. Her sweet personality was the reason for her much deserved popularity.

Gay, cheerful, and friendly NELS "OZZIE" HANSEN added that extra spark to the cheerleaders with his loud and active yells.

Pretty MARY HATTER gained her friends with her tactful but spirited personality.

Besides being a highly able cheerleader, tall and dark SAMMIE COWAN was a terrific basketball and baseball player.

Pert and energetic DOROTHY CRUSE helped keep the cheering section lively with her peppy yells.

PAUL JORDAN finished our lucky eight with his own original yells.

The Lions' 1946 baseball team was centered around DON MILLENDER and EUGENE HIXSON, All-City and All-State outfielders; JAMES CAMP, All-State Pitcher; JERRY DOYLE, All-City catcher; BENNIE MORGAN, shortstop; DON HANES, third baseman, JOHN LIEVESAY, second baseman; and EDDIE HALE, catcher.

The Forest nine were defeated four times during the 1946 district race, losing two games to Adamson and two to Sunset, to wind up in third place.

Coach Alva Shepard's team entered in State Championship Tournament and went all the way to the finals before being defeated by Adamson for the title.

Fleet Footers

The Lion track squad opened their 1947 season in a triangular meet with North Dallas and Tech, which they lost 83 to 33. In the second event the Lions bowed to North Dallas by 84 to 32½. Since these meets, our squad has definitely improved, and many more boys have gone out. As we go to press, the season has just opened and before it is over the Foresters are going to provide some strong competition. The Lions, in competition with sixty schools, at Ft. Worth, came in sixth, by making seven points, of which Bob Beasley contributed 5½.

TRACK AND FIELD SCHEDULE, 1946

Since THE FORESTER went to press last year before the Track Meets had been completed, we give here the complete schedule for Spring, '46. March 6: Forest, Sunset, Woodrow Wilson. Winner: Sunset.

Cager Celebrities

ROBERT BEASLEY, speedy guard for the Lions, has won three letters in basketball, three in football, and three in track. Robert, one of Forest's most versatile athletes, made the longest shot in basketball of all Dallas High School players. During the football season, he also made the longest run when he intercepted an opponent's pass on his own 2-yard line, and returned it 98 yards for a score.

BENNIE MORGAN, one of the best guards Forest has had in many years, is excellent on the defense, and two points are likely to be made any time this boy has the ball. Bennie has lettered three years in basketball, two in football, and four in baseball.

JOHN SIMMONS, husky Lion forward, is very dependable either on defense or offense. John is one of those long shot artists, and consequently is high point man for the Lion quint. Johnny has one letter in football, one in basketball, and two in baseball.

TOMMY JONES, Lion forward, is a good ball handler and is an excellent player on defense or offense. Tommy has lettered twice in basketball and has two more years of eligibility. He also holds down the left field position on the Lion baseball team.

SAMMY COWAN, who plays either center or forward, received his first letter in basketball this year. He played excellent ball all season and was one of the mainstays in the Lion's defense. Sam was a cheerleader, and is also a good baseball player.

Opening the Second half the Lions were trounced by Tech, 68-18, and Sunset defeated Forest, 37-24. The Foresters eked out Adamson, 37-36, for their first win. Woodrow Wilson downed Forest's team, 56-33, to go ahead of the Lions in the city race. In the final game North Dallas dumped the Lions into the cellar by defeating them 50-30.

In the Ashburn General Hospital Tournament the Lions were shaded by Plano, 34-30, for the title.

Highland Park defeated Forest, 22-12, in the first round of the Dr. Pepper tournament. Forest downed Pampa, 32-20, and Greenville, 33-18, but lost to Sunset, 31-29, in the consolation bracket.

After defeating Park Cities Y.M.C.A. and Dallas News carriers, the Lions bowed to North Dallas, 56-36, for the title in the Southwestern A.A.U. tournament.

GOLF TEAM

The Forest Golf Team of 1947 is comprised of L. B. Holmes, Jr., the captain; Freddie Dunn, George Vrla, and Jerry Holmes. The city competition is very keen, and each golf match has been played "down to the wire". In the first four golf matches, the team has dropped 17 points wild, making 4 points. The scores have been as follows: Sunset 6—Forest 0; Woodrow Wilson 6—Forest 0; Tech 4½—Forest 1½; and North Dallas 3½—Forest 2½. The team's hopes are very high for the remaining games.

Netters

The Forest High Tennis Team was defeated by Woodrow in the first game of the season, but bounced back with a three point victory over Tech in their second game, and the boys' team won in their third game with Adamson.

Singles were played by Wanda Orrill and Charles Annes, and doubles were played by June Goldberg, Judy Wyll, Norman Kaplan, and Jackie Cooper.

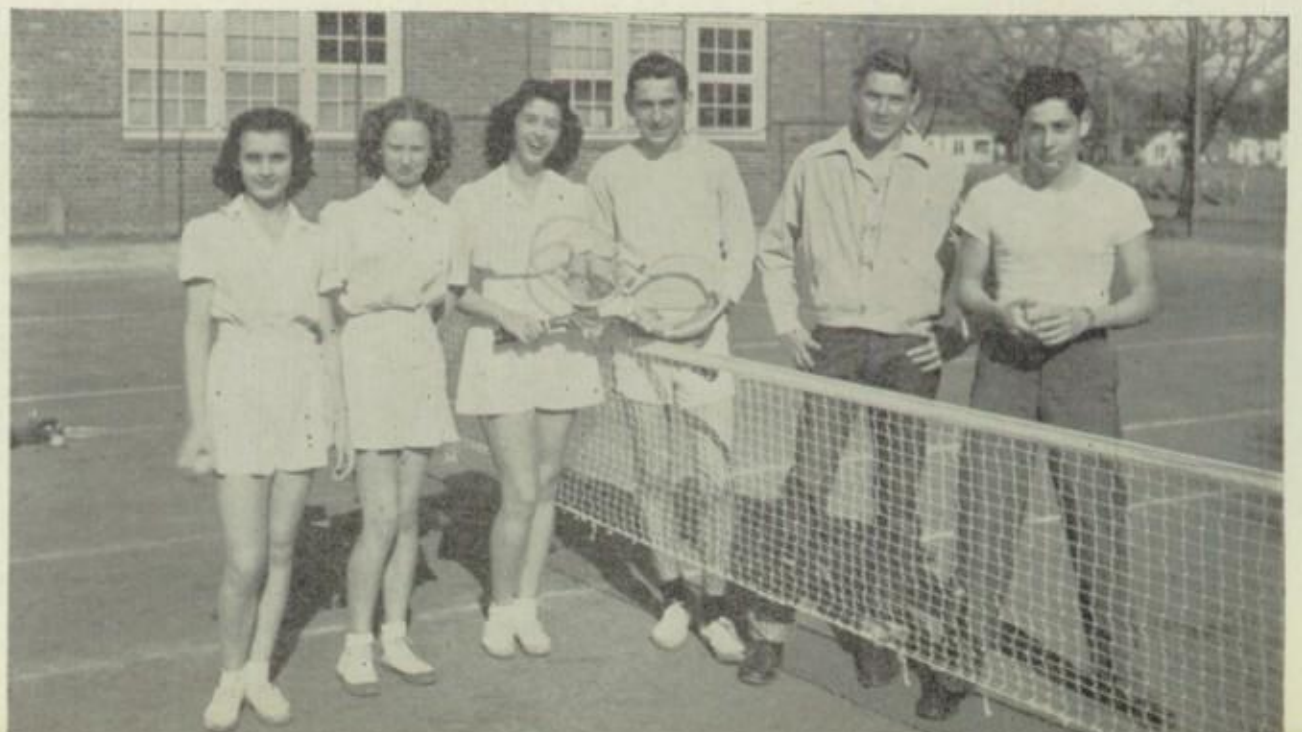

Last year the scores of the finals in which Forest participated were as follows:

Woodrow		Girls' Double	3-6	3-6
Sunset		Girls' Single	1-6	4-6

Girls Physical Education

In physical education classes the idea of graceful, strong bodies is stressed. The posture contest helps to put forth this idea more than anything else. Five teachers, acting as judges, chose four girls, Lois Dell Hilton, Patsie Greene, Marion Fuller, and Wanda Orrill, as having the best postures. This decision wasn't by any means an easy one. The classes had worked so long and hard on posture exercise that most of the girls were nearly perfect.

That shouting and cheering heard from the gym is caused by the girls' participation in the lively games of volley ball, newcomb, tenicoit, and basketball. After many days and weeks of hard work, the best girls are chosen for the Varsity Teams. These competitive games make the girls quick-thinking and quick in action.

Lead-up games to baseball are worked on for a short time. When the weather becomes warm enough, you can be sure the girls are out in the fields playing baseball.

The physical education classes do the girls of Forest an immeasurable amount of good.

A new thing at Forest this year is the concert band which has boomed into the spotlight of popularity by its swing and splendid presentation of novelty numbers. They played for Brown, Colonial, Hassell, Lagow, Silberstein, and Terry grade schools, for Riley, Texas, and for Woodrow Wilson High School. The Dads Club also enjoyed a wide variety of numbers presented on April 21. Girls in the concert band receive music credit; the boys in the band receive military credit.

In the band library are almost 500 pieces of music, including marches, modern and classical concert music, novelties, and swing arrangements.

A Cappella

Selected music students of junior and senior standing comprise the A Capella choir, under the direction of Miss Louise Wilcox. A regular school period is the time for the assembling of this group. The chorus sings on many school and community programs. It presented a program to the Dads Club, December 8, and to the P.T.A., December 11. The group gave a special Christmas assembly to the school, December 29. A selected number from the chorus caroled through the halls on December 20. The A Capella choir sang with the band in "Follies of 1947," March 28. The chorus and the school orchestra combined presented an assembly at Woodrow Wilson High School, April 10. The group participated with all other Dallas high schools in the annual city-wide Music Festival at Fair Park Auditorium, April 18. Much unknown talent of pupils is discovered and used in this choir.

Girls Chorus

A most interesting phase of activities in Forest High is the Girls' Chorus, directed by Miss Louise Wilcox. Girls in chorus classes are taught many facts in the musical field, such as how to breathe, pronounce words, stand erect while singing. The Girls' Chorus had a special part on the Christmas assembly presented by the music department of Forest High on December 20. Several girls from the chorus took part in the City-Wide Solo and Ensemble Contest at Long Junior High, March 8. The group sang in the Music Festival for Dallas High Schools in Fair Park Auditorium, April 18. Although there is hard work in preparing for programs, there is also much fun. From the girls' choruses come members of A Capella. Miss Wilcox, an efficient director, spends much of her time in the special training of voices in the girls' chorus classes.

You've seen us dashing madly around school getting write-ups, collecting subscriptions, and selling advertisements, with the thought that the deadline was just ahead. We wrote, typed, read, and re-wrote copy. We came to school early and stayed late trying to beat that deadline. We were always misplacing things, and we nearly turned grey trying to find them, but we loved every minute of it!

In the beginning, this was MY BOOK . . . in the meantime, it was YOUR BOOK . . . in the end, it is YOUR BOOK . . . This is the end.

I wish to thank the following persons for their co-operation in editing the 1947 Forester: our advisers, Miss Annie Gem Felder, Mr. H. B. Yates, and Miss Bliss McManus; Mr. Harry Crenshaw of Southwestern Engraving Company; Irving Wilkinson Printnig Company; Mrs. White of Sears-Roebuck Photography Studio; and our photographer, Mr. Kizer.

Annually yours,
JOAN TURNER, Editor, 1947 Forester

In "The Farmer's Daughter" crafty Lawrence Atwood persuades pretty Patsy Greene to marry him and run away to the city.

Rheba and Donald watch as Mrs. Sycamore works on one of her innumerable plays in "You Can't Take It With You."

No, don't get excited; nothing's wrong. It's just two of Mrs. Stringer's make-up students.

The Play's The Thing

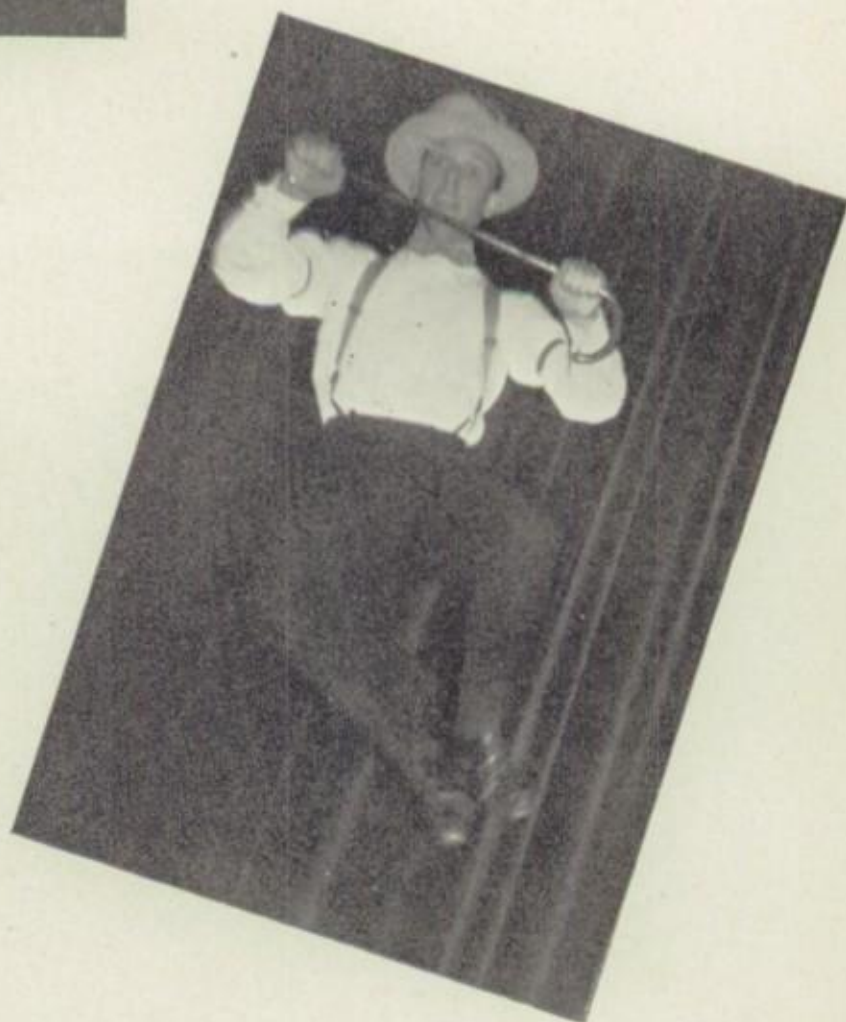

Our Speech Department under the direction of Mrs. Juanita Hill Stringer is one of the finest in the city. Classes are offered in stage fundamentals, diction, after-dinner speaking, radio, make-up, and drama. The students are given an opportunity to practice the things they learn in class on assembly programs, in one-act plays, on radio programs, and various community programs.

One of the plays was an old-fashioned melodrama, "THE FARMER'S DAUGHTER," was given on the first paid assembly of the year. The play was complete, with a villain, LAWRENCE ATWOOD; an innocent country girl, PATSY GREENE; and a hero, NODINE SWIFT. Others in the cast were THOMAS HUTSON as Paw McDougal; NORMA MURPHY as Maw McDougal; and BOBBIE COLLINS as Annie McDougal. Between scenes, ANITA JACOB, in "gay Nineties" costume, sang "The Man on the Flying Trapeze." "THE FARMER'S DAUGHTER" was presented also before the Dad's Club.

Freida Benson leads her original January Class song, "I'll Always Remember," on Senior Day, January 20.

Gene Pflug shows off his dancing ability with his version of a "city slicker" in "The Farmer's Daughter" November 12

JULIAN BRADDOCK, as the principal in "A DAY IN A PRINCIPALS OFFICE", which was presented during Education Week, showed the problems with which a principal is confronted daily. Taking the parts of indignant mothers, unruly student, and unco-operative teachers were GLORIA ROLLINS, TERESA KESSNER, RAPHAEL LEVIN, SAMMY COWAN, JOAN TURNER, and VIRGINIA VODICKA.

A brilliant and handsome young scientist and a crafty, but pretty, newspaper reporter are the chief characters in "HOLD EVERYTHING", which was presented to the student body December 12. These characters were played by NODINE SWIFT and JANE PHILLIPS.

The Speech Department sent JOAN TURNER, MARTHA HOWELL, MARVEL HUTSON, GERALDINE WATERS, JANE PHILLIPS, SAMMY COWAN, FRED ROGERS, and MRS. STRINGER to the Interscholastic League State One-Act Play Wordshop at T.S.C.W. in Denton, on March 1. The State One-Act Play Contest was discussed and suggestions were given as to the type of plays to be given.

"PIPES OF DUNBAR," one-act play, was presented over W.F.A.A. on March 15. It was taken from the story of the life of Mary Stuart, Queen of Scotland, during the time she was held prisoner by her cousin, Queen Elizabeth, at Sheffield Castle, in England. JANE PHILLIPS played Mary Stuart; JACK HERRING, the Earl of Shrewsbury; MORTON RACHOFKY, Earl of Leicester; DONALD WITT, Lord Bothwell; KENNETH PEACH, the guard. Carollers in the play were JOAN TURNER, MARTHA HOWELL, GERALDINE WATERS, MARGARET FARR, KENNETH PEACH, STANLEY GREEN, BILLY McRIGHT, and BILLY JACK SAUCIER.

"PIPES OF DUNBAR" was our entry in the Interscholastic League One-Act Play Contest at Woodrow Wilson High School on April 10. JANE PHILLIPS was judged the best actress in the all-city contest.

Many students gain such valuable training in the Speech Department that they gain a foothold in the professional field. One of these students is JOAN TURNER, who is centering her attention on the field of radio. She has the ingenue role on the Saturday morning Candy Kids program and plays many other "fill-in" shows.

Peter Vatsures, Harold Tucker, and Helen Gambrell, winners of the Regional Army Recruiting Service Poster Contest, receive their awards.

Who's Who in Arts and Sciences

Forest students have been especially outstanding this year in scholastic attainments. We can all be very proud of our art department for their wonderful work. To Mrs. McManus, their able teacher, belongs much of the credit for their success. Some of the contests won by that department are as follows:

(1) The REGIONAL ARMY RECRUITING SERVICE POSTER CONTEST was won by our outstanding artist of the year, PETER VATSURES. Not to be left behind, HAROLD TUCKER took second place, and HELEN GAMBRELL, third.

(2) PETER VATSURES again came in first in the SCHOLASTIC MAGAZINE REGIONAL CONTEST. One hundred dollars, two keys, and four honorable mentions were his awards. Altogether he was given six certificates of merit. ALTA FLANAGAN received two keys and three certificates of merit; HARVEY LANE, one key and one certificate; HELEN GAMBRELL, one key and one certificate; and HAROLD TUCKER, one certificate.

PETER VATSURES also won one-hundred dollars as first prize in the STATE SCHOLASTIC MAGAZINE CONTEST; ALTA FLANAGAN, twenty-five dollars as third prize. BOBBY JOYCE TUCKER received honorable mention.

(3) All the first places in the NATIONAL BOEHLA GREETING CARD CONTEST were won by Forest students. Two certificates were awarded PETER VATSURES and one each to ALTA FLANAGAN and BOBBY JOYCE TUCKER.

(4) Forest artists won the second and third places in the SYMPHONY CONTEST. These winners were PETER VATSURES and VERA HIGGINS.

(5) The Junior Allied Art Competition brought many Foresters glory. PETER VATSURES came in first with two prizes, and HARVEY LANE received one. The pictures of the following students were hung: PETER VATSURES, four pictures; HARVEY LANE, three; ALTA FLANAGAN, two; HELEN GAMBRELL, two; GEORGE McMILLEN, one; and MARVIN SIGEL, one. Thirteen paintings of the twenty-three hung were by Forest students.

In music, Miss Louise Wilcox's pupils won honors in the CITY-WIDE SOLO CONTEST. DORIS MILLER, pianist, JOAN TURNER and IDA ARMBRUSTER, soloists, emerged victorious with first places. Coming in second were CLEMMIE PONTLEY, EMMA DAISY REED, MINA RUE EVAN, VELLEEN DULA, and IRIS APPLE.

Forest had other outstanding students in the field of Arts and Sciences. Superior! That was the rating given O. H. HAVEMAN in an examination for a Navy scholarship.

Among Forest participants in the twenty-first NATIONAL STUDENT CONTEST FOR HIGH SCHOOLS, sponsored by the American Association for the United Nations, Inc., directed in Forest by Miss Mary Drake, CHARLES ANNES won first place, and MAURY SOLTES won second place. These boys, we hope, will surely receive recognition in the national contest.

This year in the INTERSCHOLASTIC LEAGUE READY WRITERS CONTEST, PETER VATSURES wrote his way to first place, and ELEANOR BUSHMAN, second. In the All-City contest, Peter won third place.

HAROLD MELNICK came in third in the HIGH SCHOOL FIRE PREVENTION ALL-CITY ESSAY CONTEST. Good work, Harold!

JANE PHILLIPS was judged the outstanding actress in the INTERSCHOLASTIC LEAGUE ONE-ACT PLAY CONTEST between all the high schools of Dallas. Jane played the part of Mary Stuart in THE PIPES OF DUNBAR, directed by MRS. JUANITA STRINGER. Our play took fifth place.

THELMA ROMOTSKY and JOSEPH KLIBANOW tied with Adamson for second place in the city wide INTERSCHOLASTIC LEAGUE SPELLING CONTEST.

We can't leave out our 1946 winners who were too late for the '46 Forester. One of our most talented graduates of '46. NORWIN GENE RAY, won first place in Dallas and second in the whole state of Texas in the 1946 READY WRITERS CONTEST, and ALVIS APOY and RUTH LEWIN won first place in the INTERSCHOLASTIC SPELLING CONTEST.

Vitamins Plus

Attention, fellow students of Forest Avenue High School! Health is a subject important to everyone. Students of Forest are coming to realize more fully the importance of good health, and are studying harder from day to day to improve their health, for they realize that with health comes happiness.

The Dallas County Medical Society co-operated with the Dallas Board of Education in presenting a program of lectures to the students, with various members of the Society delivering lectures to the students on health topics. On October 24 a movie, "This is TB.," was shown to all the gym and health classes. One of these lectures was given on October 30 by Dr. Frank Carman, who spoke to the 2B and 2A classes on the T. B. skin test and early diagnosis, and stressed that tuberculosis can be cured if found and treated in its early stages; November 5 the T. B. skin tests were given to 158 Sophomore students, and on November 7 the skin tests were checked, 19 showing positive reactions.

On November 6 and 13 Dr. Rucker gave two lectures to the Junior girls on personal feminine hygiene, while on December 4 Dr. John Chapman gave a talk to the Juniors on tuberculosis. Then on February 19 Dr. Sparkman spoke on appendicitis, saying that it is more common in the age group of ten to thirty years than in any other age group. He explained the symptoms and showed both a normal and a diseased appendix. On February 26 Dr. Montgomery talked to the students on surgical infections.

On March 6 Dr. Horace Duncan examined the boys going out for golf, tennis, baseball, and track to see if they had any physical defects to prevent their participating in athletics.

On March 12 Dr. Felix Butte spoke on injuries to the arms and legs, on burns, lacerations, and fractures; on March 19 Dr. Patterson spoke on injuries to the head. The last in the series of lectures were given by Dr. Moore, on April 2 and 9 about children's diseases.

Students at Forest are doing their best to promote good health. Even in classes they study different health subjects. Seniors study communicable diseases and home nursing. They learn to recognize and apply simple rules in combating common diseases and to care for the sick. Juniors learn to administer first aid to those who have had accidents. Sophomores study physiology and learn about the organs of the body and how to keep them in good working condition. Freshmen study general health principles and learn to build up body resistance against harmful germs.

Seniors Will Receive Diplomas January 23

Celebration of New Year Varies For Different Nations of the World

How would you like to celebrate New Year's Day in June or September? Although these may seem odd times to recognize as New Year's Day they were once celebrated as the beginning of a new year. March 25 was the usual date for beginning the new year in most Christian countries in the Middle Ages, and England kept this date until 1751. In countries which use the Julian calendar, January 13 is observed.

As our magic plane makes plans to take us on a make-believe tour of different countries we begin to see how the celebration of this gala occasion varies.

Our first stop is China, where the celebration lasts for several days and gives the appearance of all the holidays in the year being celebrated at once. There are fireworks, feasts, and an exchange of gifts and good wishes. There is also much preparation which must precede this occasion. Every debt must be paid, every house swept and cleaned, every one must have holiday clothes and a supply of preserved fruits, candies and ornamental packages of tea to give to his acquaintances.

The celebration of New Year's Day in Japan is the favorite of all celebrations. This is everyone's birthday. Children are considered to be one year old when they are born and at the beginning of a new year everyone adds a year to his age. The preparation for this holiday is much like that of the Chinese. There is a house cleaning, all debts are paid, food prepared for guests and for the family, and there are new clothes for everyone, no matter how poor he may be.

Landing in Scotland we find that the tradition of "first-foot"

55 Graduates Will End School Careers at Mid-Term

In their last high school ceremony, 55 graduating seniors of Forest Avenue High School will walk across the stage of their Alma Mater Thursday night, January 23, to receive their high school diplomas.

Climaxing a week of senior activities the exercises will begin at eight o'clock with Reverend Odell Jamieson, pastor of Forest Avenue Baptist Church, giving the invocation.

Mr. Dan Rogers, chairman of the Rules Committee of the Board of Education, will present the diplomas. Frieda Benson will give an oration on "Student Philosophy." Billy Phillips, president of the graduating 4A class, will make a short speech and introduce the class, its officers and the guest speaker, Reverend Timothy W. Duthrie.

Part of the senior activities we already gone over with success. The Senior Prom was held last Saturday night and Senior Day was yesterday.

Other pregraduation activities to help keep the seniors busy are the Baccalaureate Services to be held at Forest Avenue Baptist Church January 19 and a banquet in their honor the next night at the same place. Finals in the high school careers of these 55 seniors will be realized when they have their diplomas safely in their hands next Thursday night, January 23.

Combs Wins Echo Award

Joe Combs, Echo sports editor for the past semester, was named outstanding journalist of the graduating class at the Echo banquet last night.

An Echo "Oscar" was presented to Joe by Albert S. Johnston, Jr., Echo sponsor. Three runners-up for journalistic honors, Dorothy Pratt, Richard Winters, and Gene Pflug, received pin awards.

Journalism 2 students and guests attended the affair, held at the Venus Restaurant.

Forest By Freida Ann Benson

The graduating class song is sung to the tune of "Always." We will think of you, Forest. Miss the things you do, Forest. Think of Freshman days, When we were all amazed Looking up to you, Forest, Forest. Winning football games for Forest. Reaching high school fame for Forest. Proms and picture shows, Told in past "Echoes." Will keep us close to you, our Forest.

Gillett and Pflug Chosen 1947 Echo Sweethearts

Dorothy Gillett and Gene Pflug were elected Echo Sweethearts of 1947 by popular ballot December 17, 1946.

Dorothy, known to her many friends as "Dee Dee," is a member of the Texas History Club and Girl Reserves, and is exchange editor of the Echo. She holds the

Dorothy Gillett

Gene Pflug

post of parliamentarian of the graduating class.

In addition to her regular school work, Dorothy works at A. Harris & Company. Among her many favorites are football, history, and "Begin the Beguine" by Artie Shaw. She came to Forest from John Henry Brown Grammar School.

An all-around "good guy" is the usual description of Gene Pflug, cheerleader for two consecutive terms. Brown hair and eyes together with a winning personality combine to make Gene a deserving Echo Sweetheart.

Gene has been out for truck two years and has been manager of the baseball team for two years also. He has a mania for loud clothes, and answers to the strange nickname of "Flag."

At present Gene is vice-president of the graduating class, and is feature editor of the Echo. He is a past member of the Dallas Historical Society and the Hi-Y Club. His favorites are journalism and tap-dancing. Gene also hails from the Brown School.

The winners were given stiff competition in the Echo Sweethearts election by Bobbie Collins and Paul Cruse, runners-up.
